As per our discussion, this change in my work schedule and lengthening the duration of my shift conflicts with my family responsibilities.

Hi Melissa,

Just passing this on from Jonathan Wengel regarding the Kronos schedule as previously discussed. Your schedule is now adjusted in Kronos as 8a-5p, with a 1-hour lunch. Please ensure your hours reflect this going forward so that your total worked hours (nine hours minus one-hour lunch each day) can remain 40 hours per week.

Thank you,

Beesh

Good morning,

This is to confirm that Drs. Kaye, Solanki, Weiss and Harper have had their schedules adjusted in Kronos to reflect the 1-hour lunch break (effective Sunday, August 5, 2018) which is consistent with all FPECC staff.

Please let me know if you have any questions. Thanks.

Jon
